

NEWWALL

Light Shadow

Light Shadow x NewWall

A study in softness and atmosphere, *Light Shadow x NEWWALL* captures the quiet poetry of transition. Through layered textures and tonal gradients, each design evokes moments of stillness—where light shifts, boundaries blur, and space becomes immersive. Rooted in natural elements and refined form, the collection brings a sculptural calm to both residential and commercial interiors.

WINDSWEPT

Beneath the Surface

Light melts into depth in a quiet gradient, echoing the stillness of sea meeting sky. *Beneath the Surface* invites a sense of calm immersion—where sky, sea, and atmosphere quietly converge.

BENEATH THE SURFACE | SILT

Sunwash

Softly layered and radiant, *Sunwash* captures the quiet warmth of light in motion. Its gentle textures and tonal depth create a serene, luminous backdrop for any space.

Stillform

With its bold central current and softly layered textures, *Stillform* captures a moment of suspended motion—where natural energy meets contemplative stillness. Sculptural and serene, it evokes the quiet power of land shaped by water, offering a grounded yet atmospheric presence in any space.

Blushveil

Softly layered and ethereal, *Blushveil* evokes the delicate radiance of early light diffused through cloud and air. Its warm tonal transitions and gentle textures create a romantic atmosphere—offering a quiet sense of intimacy, softness, and serenity in any interior space.

Windswept

A sweeping monochromatic composition, *Windswept* captures the quiet drama of shadow, movement, and open space. With painterly textures and shifting tonal layers, it evokes the tension between storm and stillness—drawing the eye to a horizon that is both moody and mesmerizing.

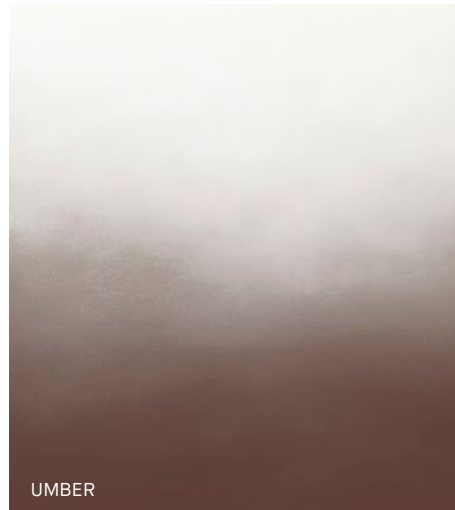

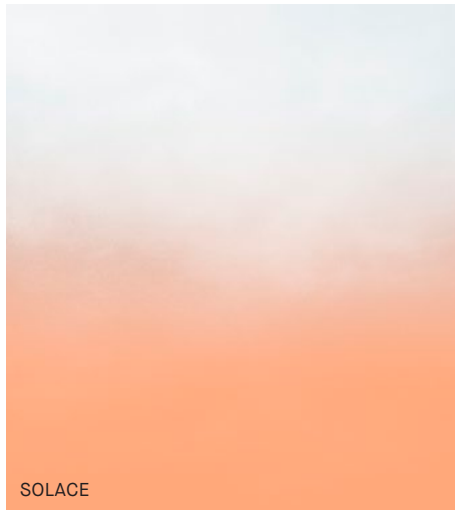

WINDSWEPT | CHAPEL

Where Sky Begins

A delicate gradient that transitions from light to saturated tones, this design evokes the tranquility of distant horizons—where sky, sea, and atmosphere blur into one. Immersive and expansive, it brings a breath of calm into any space.
